

# Visits to Trinità dei Monti in the time of Covid

---

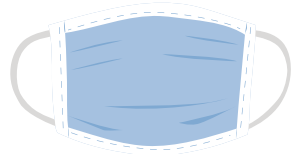

Health measures to be adopted throughout the entire estate,  
for a visit in total safety.

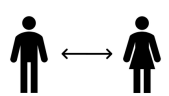

Visitors are requested to arrive 5 minutes before the start of the visit, to allow time for the reception, while ensuring the safety of all. We cannot guarantee access to the visit in case of delay.

Hydroalcoholic gel is available in different places along the tour.

Wearing a mask is compulsory throughout the entire visit, while in the estate.

Inside the convent, it is obligatory to keep a safety distance of 1.5 metres between people, except for members of the same family
